

MATHS CARE

BY DR GAJENDRA PUROHIT

REFERRAL PROGRAMME

How the Referral Works?

Reward Options for Referrers

What rewards can I choose when my referral is verified?

You can choose one of the following:

- Combat Series Course
- General Aptitude Course
- Toppers Guide Book

When will my chosen reward be activated?

Your chosen reward will be activated inside the app after verification.

Terms & Conditions

Unique Code

Each referral code is unique and generated using the student's name and registered mobile number.

New User

The referred student must be a new user purchasing a Main Course (Above Rs.4000) on the Mathscare App.

Main Courses Only

The 10% discount applies only on Main Courses (Above Rs.4000) and cannot be combined with any other offer.

Completed Purchase

A referral is counted only when the new student completes the purchase using the referral code.

Inform Mathscare

To receive the reward, the referrer must inform the Mathscare team by calling the helpline.

Verification

All referrals will be verified by the MathsCareTeam before rewards are approved.

Fraudulent Referrals

Fraudulent or suspicious referrals will be rejected.

Program Changes

Mathscare may update, modify, or discontinue reward options or programme rules as needed.

Example: How to Know & Use Your Referral Code

Step 1: Know Your Code

Every MathsCare student automatically allotted a referral code based on this format:

First 4 letters of your Name + Last 4 digits of your registered mobile number

Example:

Name: Nikhil

Phone: 9876543210

Referral Code = **NIKH3210**

There is **no referral section inside the app** — your code is determined directly using this structure.

Step 2: Share Your Code

- Share your referral code with friends through WhatsApp, SMS, or any social app.

Step 3: Friend Uses the Code

- Your friend enters *your code* while enrolling in any MathsCare **Main Course (Over & Above Rs. 4000)**.
- They get an **instant 10% discount** on the course fee.

Step 4: Claim Your Reward

- After your friend's purchase, call the **MathsCare Helpline Number** and inform the team.
- MathsCare team will verify that your referral code was used.
- Once verified, your selected (By Filling Google Form) reward will be **activated in your MathsCare App**.
